Dear Mr. Chapman:

The Chicago Department of Aviation ("CDA") is in receipt of your clarified and narrowed Freedom of Information Act ("FOIA") request received in our office on July 12, 2019. This clarified and narrowed request is in response to correspondence sent by the CDA in a letter dated July 9, 2019, asking for clarification and narrowing of your original request. In your current narrowed FOIA request you state the following:

This is a follow up to request number 19-251:

The records that I am seeking are those agreements that were created to satisfy the statutory requirements from (5 ILCS 220/) Intergovernmental Cooperation Act and other acts which include references to intergovernmental agreements, their creation, or maintenance. Of note, (5 ILCS 220/3.2). I am not sure how much further narrowing you'll need, as these are standard agreements throughout Illinois that should be readily available to maintain statutory requirements. Please reach out to the respective director, as defined by the Intergovernmental Cooperation Act.

We have interpreted your narrowed and clarified request to be for intergovernmental agreements entered into between 2000 and the present pursuant to 5ILCS 220/3.2. The CDA is not a party to any intergovernmental agreements establishing a municipal joint action agency for the disposal of municipal waste. Therefore, the CDA has no records responsive to your request.

This concludes the CDA response to your request.

Sincerely,

Saundra Fried
